WELCOME MESSAGE TO EXHIBITORS & SPONSORS

Dear Colleagues and Friends,

Per and I would like to invite you to join us at the **7th Congress of the Confederation of European Otorhinolaryngology-Head and Neck Surgery** which will be held in **Dublin, Ireland from the 15th to the 19th of June 2024**. This is the largest European Congress for our specialty.

Last years' 6th Congress (29th October to 2nd November 2022) in Milan, Italy was extremely successful. Over 3000 participants attended from 87 countries. There were also 52 Exhibitors along with 397 Industry representatives.

As you all know, the Confederation is the main organisation for Otolaryngology Head and Neck Surgery (ORL-HNS) in Europe, formed by and representing the 46-member European National ORL -HNS Societies, 15 Subspecialty Societies (like EAONO, ERS, EHNS, ELS, ESPO, EAFPS, ESBS etc), as well as the UEMS ENT Section and closely collaborated European Board Examination in ORL-HNS. Our meetings provide not only a high calibre scientific program, but also deliver a big melting pot, an extensive exposition area and widespread networking opportunities for all attendees and the industry. It is not just a European meeting but colleagues and companies from almost all parts of the world attend this biennial event.

Dublin is an ideal destination for congresses, with it's award winning Convention centre with an 8000 participant capacity and 2721 square metres of exhibition space. It is centrally located close to the airport with it's vast air network to all the major cities in Europe as well as direct flights to many north American cities. The Scientific program will be coordinated by Mr Michael Kuo our scientific Chairman and an expert core International Scientific Committee.

It is our great pleasure to extend our cordial invitation to you to join us at the 7th Congress of the Confederation of European ORL-HNS.
